**GODMANCHESTER BAPTIST CHURCH**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

The trustees have pleasure in submitting the Report and Accounts for the year.

**Objects of the charity**

The charity is a charitable incorporated organisation and is governed by its Constitution. The objects of the charity, as set out in the governing document are:

- a) The advancement of the Christian faith according to the principles of the Baptist denomination.
- b) The Church may also advance education and carry out other charitable purposes in the United Kingdom and/or other parts of the world.

**Summary of the charity's main activities and achievements**

Where it is relevant, the Trustees take into account the guidance of the Charity Commission on Public Benefit. We provide public benefit principally in the provision of a Place of Worship, with regular services open to all members of the public. We seek to contribute to the moral and spiritual education of children and young people and to engage with and promote self-worth in those who have suffered social exclusion. Additional public benefit is offered via the use of the building for community and other charity activities where reduced hire rates are charged, as well as by companies where charges are in line with similar commercial facilities in the area. We seek to fulfil our charitable objectives in the advancement of Christianity and in supporting those in need, specific examples of which are given below.

**Objective a:**

*Among adults*

At the end of 2022 there were 131 Members.

In the first part of 2022 Sunday morning services took place at Grace Fellowship due to the Oikodom building project completing at the East Chadley Lane site. During this period services continuing to be broadcast on YouTube which allowed those unable to attend in person to continue to be part of the church family.

The Oikodom building refurbishment project to improve the worship area was completed in June 2022. The first service back was on Sunday 5th June, then on the 25th of June we held our celebratory event to open the space. The monthly Songs of Praise service continued to be pre-recorded for broadcast on YouTube until the Worship Area at East Chadley Lane was available, but then resumed in-person and a recording was subsequently broadcast.

In early September a one day Mix event was held where people of all ages were able to catch up and meet in person. 2022 also saw the strengthening of Care and Connect groups which aim to make certain that everyone is cared for and supported and that they know this. Some home groups continued to meet and the relatively new Toolbox system came into its own, providing a range of teaching which included in depth Bible study, a book club, teaching on specific subjects and a variety of courses including an Alpha course and a Freedom in Christ course.

During 2022 two new congregations have grown and flourished. There is a Families Venture group which met twice a month, bringing together families for indoor and outdoor activities and fun as well as sharing a meal together. The other group is Young Adults (18 - 25 year olds) who met every other week to share, eat, study and apply the Bible to their own lives.

We have sought to attain our objective by worshipping God; engaging in the mission of the Lord Jesus; training others to serve the Lord Jesus and extending his Kingdom.

**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

*Among youth*

The Friday Night Project involving between 25 and 50 local youth proved successful in providing a place to be together and on Sunday nights the youth church met regularly at Generation Rising. Like many of our activities attendance numbers were slow to recover compared to the pre-covid period.

*Among Children*

Littlefoot parent and toddlers group met on Wednesday mornings to play and chat. Up to 20 local families attend with numbers slowly recovering after the Covid lockdowns.

During the Sunday morning services there were age-appropriate groups which met for their own instruction. A Holiday Club took place in August and there were regular visits for assemblies and lessons in local primary schools and a local secondary school.

*Beyond Godmanchester, in the U.K. and abroad*

We have fostered closer working relationships with other churches in the Godmanchester and Huntingdon district, seeking to bear witness to Jesus Christ through joint services and some open air events in the towns, as well as collaborating in certain community projects. Ministers have spoken at Baptist Union events as specialists in their field.

We have made financial contributions to Baptist Union Home Mission to support the work of the BU in resourcing UK churches. We continue to make financial contributions for overseas mission work. 36 shoe boxes for needy families in Romania and orphans in Ukraine were sent as part of our work with Amen ministries.

**Objective b:**

We have provided emotional, practical and spiritual support for those in our congregation and community who have needed such assistance. The sick, the aged and the infirm are visited and practical support offered as appropriate.

There is a weekly Littlefoot parents and toddlers club attended by 20 plus families. Together with those from other churches some of our members are involved in the Cornerstone Pregnancy Crisis Centre, a confidential counselling service for pregnant women and their partners. We also have members who are involved with the work of Huntingdon Area Money Advice (HAMA) and the church premises are used as one of its bases for meeting clients. Contact was made with 125 new clients during 2022.

During November and December the premises were used as a Warm Space to meet the need of the wider community facing the increased cost of living. A heated room was provided with access to snacks and hot drinks with activities for attendees to take part in.

Tuesday Treat attracted 60 to 70 people per week. This is a coffee, cake, friendship and fellowship group. A series of four summer events called Tuesdays @ 11 ran for senior citizens with talks and activities of interest. These ranged from a talk by the Godmanchester Community Plant Nursery to simple line dance instruction.

Working in association with the Home Office, the project to resettle a Syrian refugee family has continued. In August the first family moved on and a new Syrian family in need started to settle in in November.

**GODMANCHESTER BAPTIST CHURCH**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

We have 100 local agencies who can act as Referral Agencies for the foodbank including 12 schools in and around Huntingdon and Godmanchester. These agencies can issue vouchers to those in need which can then be redeemed at the Foodbank. Godmanchester Foodbank maintains close ties with other foodbanks and charities in the area, providing financial support through gifts to Grub Hub, Love Oxmoor Foodbank, Huntingdon Volunteer Shop Fresh Food initiative and Fusion Family and Youth project.

The Food Bank has remained affiliated with the Trussell Trust - a charity which provides assistance and training to those running food banks around the country. Donated or purchased non-perishable food items were distributed without charge to those in urgent need.

During 2022 50,925 kg (62,025 kg in 2021) of food was distributed. A rise of 8% in users was seen across the year, and we helped to serve and support over 4,000 adults and children. The majority of people assisted live primarily in the Huntingdon and Godmanchester areas. There was a reduction in the amount of food distributed to other organisations such as schools, community fridges and other such organisations.

There has been a steady increase in demand for Foodbank services from people where their problem is greater than a shortage of food, for example rising debt and mental health issues. Towards the end of 2022 fuel poverty also began to impact more significantly so to help alleviate the strain for these clients we have been working with Citizens Advice Rural Cambridgeshire who provided two Citizens Advice trained advisors. These advisors offered budgeting advice, benefit help and other forms of support using the Godmanchester Baptist Church premises.

Local food store collection points, local churches, community groups and businesses all contributed to food stock collections throughout the year. During the summer there was a pop-up Food Bank shop and 80 needy families participated in a Meal in a Bag scheme where recipes and ingredients were provided to support families in cooking a simple, nutritious meal.

**In order to facilitate the achievement of these objectives:**

We have emphasised the priority of prayer together, in prayer triplets, in small groups, at meetings specifically for prayer and during our services. These have been undertaken either online or in person.

We have sought volunteers from within the congregation with the best skills possible and offered training or mentoring to enhance these if required.

Since June we have used our modernised worship area which has become more versatile through the addition of an advanced and environmentally friendly heating and cooling system. Significant access, lighting and sound system improvements were made that allowed a touring theatre performance to be made. We sought grants for the building project some of which were received during the current year.

We have paid and supported both Pastoral and Administrative Staff.

We encourage the widest participation in our activities, where necessary subsidising events and activities so that 'ability to pay' is not a barrier.

In planning the activities the Trustees have applied the guidance on public benefit issued by the Charity Commission.

Most of the charity's activities are undertaken by volunteers and the charity could not operate effectively without their efforts.

**Structure, Governance and Management**

**GODMANCHESTER BAPTIST CHURCH**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

Responsibility for setting policy and for making operating decisions rests with the trustees who meet regularly to monitor the activities of the charity. Trustees serve for a maximum of three years before standing for re-election. New trustees are recruited and appointed by church members according to the constitution.

The organisational structure considers that the government of the local church is best done by church members meeting together in a spirit of prayer and friendship to discuss and agree on what God wants them to do. The day-to-day leadership of the church is entrusted to the Leadership Team who are the Trustees appointed by the church members. They are jointly responsible for overseeing spiritual direction of the church, worship and prayer, discipleship (both teaching and pastoral care), outreach and in the role of Trustees the administration of the church. Paid staff are a Lead Pastor and an Associate Pastor plus a Church Administrator and the Food Bank Project Manager.

The church constitution lays out our voting percentages and system for decision making across all areas of the church. Details can be found in sections 13.7, 13.8, 14.1, 14.2, 20.1, 22.7 and 22.8.

Trustees follow the policies of the church constitution and that of the Charity Commission for inducting and training trustees. There is a Code of Conduct for Trustees and a Trustee's Declaration. New trustees are supported by more experienced trustees and made aware of useful materials from the Baptist Union. EBA led a training session for all trustees in January 2022.

Pay is set for the Lead Pastor and the Associate Pastor using the recommended stipend reviewed annually by the Baptist Union. The church is committed to paying the minimum of the real living wage for all other roles while experience and skills required for the role are also used to determine the final pay rate. Cost of living increases for other staff members are based on the BU stipend increase or the CPI rate of inflation and selected by the Leadership Team according to the most appropriate measure at the time of review. This is reviewed annually.

The church is part of a wider network via a covenant relationship with the Baptist Union of Great Britain and the Eastern Baptist Association.

We are a franchise of the Trussell Trust with the objective of being able to provide a Food Bank but do not have formal relationships with other related parties. We work with other churches when and where it is needed and where appropriate give gifts to other local charities. This has little impact on our operating policies.

#### **Financial review**

During the year income increased by £685,403 to £1,095,633 of which £500,000 related to the donation in kind of the property Grace Fellowship. Expenditure increased by £98,161 to £460,324. The surplus for the year increased by £587,242 to £635,309 and the charity's net assets increased by the same amount, to £1,374,724. Net current assets stood at £156,321.

#### **Funds in deficit**

There were no funds in deficit at the end of 2022.

#### **Reserves policy**

The trustees have determined that the charity should aim to hold £60,000 in easily accessible reserves (which equates to about 6 months' of unrestricted salary expenditure) so that the charity could continue to operate should income and / or expenditure vary adversely. At the year end the charity held unrestricted funds (excluding fixed assets fund) of £64,837 and unrestricted cash of £64,723.

#### **Going concern**

The Charity Trustees are confident that Godmanchester Baptist Church remains a going concern.

**GODMANCHESTER BAPTIST CHURCH**  
**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

**Key risks and uncertainties**

The charity is exposed to various risks - be they operational, financial or reputational. The trustees review the charity's activities regularly to identify significant risks and, where possible, they take appropriate measures to mitigate those risks.

In 2022 we were gifted a church building in Little Stukeley called Grace Fellowship which has since been renamed The Beacon Centre. This building is an asset for Godmanchester Baptist Church but came as a one-off unexpected donation. It brings some financial risk as it has the effect of needing regular maintenance and improvements which will come from the church's current general funds, while offering the opportunity for increasing the opportunity to play out our charitable objectives.

As with all organisations nationwide a key financial risk in 2023 is with gas and electricity costs. A long term fixed tariff agreement expires in early January 2023 which will have a significant impact on monthly outgoings. Alterations have been made to the budget for the year ahead to account for this along with more regular "finance subcommittee" meetings to monitor the impact closely

The high income in 2022 is due to the donation of the building and is considered to be a one-off situation so we expect to return to previous levels of income and expenditure in 2023. The 2023 decrease in income will not have an operational impact on the charity which the trustees consider to be a viable concern.

**Plans for the future**

Godmanchester Baptist Church will continue to be a vibrant worshipping community that will add new and relevant activities to existing successful ones.

**TRUSTEES' ANNUAL REPORT**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

**Responsibilities of trustees under charity law**

The trustees are responsible for preparing the trustees' annual report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Charity law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing these financial statements, the trustees are required to:

1. select suitable accounting policies and apply them consistently;
2. observe the methods and principles in the Charities SORP;
3. make judgements and estimates that are reasonable and prudent;
4. state whether the applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
5. prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011 and the Charity (Accounts and Reports) Regulations 2008. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT EXAMINER'S REPORT  
TO THE TRUSTEES OF  
GODMANCHESTER BAPTIST CHURCH  
(‘the Charity’)**

I report to the charity trustees on my examination of the accounts of the Charity for the year ended 31 December 2022 on pages 8-22 following, which have been prepared on the basis of the accounting policies set out on pages 10-13.

**Responsibilities and basis of report**

As the charity's trustees of the Charitable Incorporated Organisation you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act. This examination was performed in the place of an audit, as authorised by the Charity Commission in a dispensation granted on 4 January 2023.

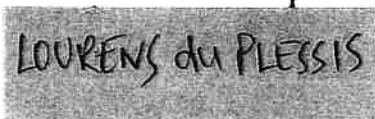

**Independent examiner's statement**

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**GODMANCHESTER BAPTIST CHURCH**  
**NOTES TO THE ACCOUNTS**  
**FOR THE YEAR ENDED 31 DECEMBER 2022**

**1 Statutory Information**

The charity is a charitable incorporated organisation registered with the Charity Commission in England & Wales. The charity's registered number and principal address can be found on the Charity Information page.

**2 Accounting Policies**

These financial statements are prepared on a going concern basis, under the historical cost convention.

These financial statements have been prepared in accordance with the "Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("the Charities SORP"), with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland ("FRS 102") and with the Charities Act 2011. The charity meets the definition of a public benefit entity as set out in FRS 102.

The Charities (Accounts and Reports) Regulations 2008 (the '2008 Regulations') requires charities to prepare their accounts in accordance with 'Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005' but this accounting standard has since been withdrawn and has been replaced by the Charities SORP mentioned in the preceding paragraph. The charity has prepared these financial statements in accordance with the new Charities SORP; this departure from the 2008 Regulations is believed to be necessary for these financial statements to give a 'true and fair view'.

The principles adopted in the preparation of the financial statements are set out below.

a) Going concern

The trustees (who are the charitable company's directors for the purposes of company law) have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. In particular the trustees have considered the charity's forecasts and projections and the possible implications should projected income and / or expenditure vary unexpectedly. The trustees have concluded that there is a reasonable expectation that the charity has adequate resources to continue to operate for the foreseeable future. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

b) Income

Income including investment income is recognised in the period in which the charity becomes entitled to receipt, the amount receivable can be measured with reasonable certainty, and receipt is probable. For the most part, income is generally recognised when it is received. Income is only deferred when the charity has to fulfil conditions before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Income from donations and legacies includes:

- i) Recoverable gift aid. This is recognised when the related donation is received. Gift aid that has not been recovered by the balance sheet date is included as a debtor.
- ii) Donated facilities, services and goods. Goods donated for distribution to beneficiaries are recognised as income when receivable at fair value (being an estimate of the amount it would cost to purchase those items). Facilities, services and goods donated for the charity's own use are recognised as income when receivable at their value to the charity.

The charity relies on volunteers to carry out many of its activities, particularly its various ministry activities. However, in accordance with the SORP, the value of these services has not been included in these financial statements as they cannot be reliably measured.

When donated goods, services and facilities are distributed or consumed, an expense in respect of those items is included in the Statement of Financial Activities. At the year end any goods that have not been distributed or consumed are recognised as stock; donated fixed assets are capitalised.

Income from charitable activities represents income receivable from goods, services and facilities supplied in furtherance of the charity's charitable objects. It includes income from church retreats and other events and courses.

Investment income represents income generated by the charity's assets and includes income from letting the charity's property and bank interest.

c) Expenditure

Expenditure, including irrecoverable VAT, is recognised when it is incurred or, if earlier, when a legal or constructive obligation for a payment arises provided that it is probable that settlement will be required and the amount of the obligation can be measured reliably.

## GODMANCHESTER BAPTIST CHURCH

### NOTES TO THE ACCOUNTS

#### FOR THE YEAR ENDED 31 DECEMBER 2022

The charity makes grants to other institutions and individuals to further its charitable objectives. Grants payable are recognised as constructive obligations arise, which is generally when the charity expresses a commitment to the recipient that can be measured reliably and then only to the extent that any conditions associated with the grant are outside of the control of the charity.

Expenditure on raising funds comprises the costs incurred on fundraising.

Governance costs, which are included in expenditure on charitable activities but are identified separately in the notes to the accounts, includes costs associated with the independent examination of the financial statements, compliance with constitutional and statutory requirements and any other expenditure incurred on the strategic management of the charity.

d) Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Designated funds comprise unrestricted funds that have been set aside by the trustees for particular purposes. Restricted funds are donations which are to be used in accordance with specific restrictions imposed by donors; they include donations received from appeals for specific activities or projects. Endowment funds are donations that are retained as capital in accordance with the donor's wishes. The nature of the restriction determines whether the endowments represent permanent endowments or expendable endowments.

e) Tangible fixed assets

Items purchased or donated for the charity's own use are capitalised when the cost of purchased items, or the fair value of donated items, is more than £500 (or it is an item of computer equipment close to this value) and the item is expected to benefit the charity over more than one accounting period. Depreciation is charged on a straight line basis so as to write down the value of each asset to its estimated residual value (if any) over its expected useful economic life. To achieve this objective the following rates of depreciation are charged:

Freehold land	Is not depreciated (because it is not consumed by use)
Freehold buildings	Over 20 to 50 years after taking account of the building's residual value
Furniture	Over 5 to 10 years
Equipment	Over 3 to 10 years

The carrying values of tangible fixed assets are reviewed for impairment in periods when events or changes in circumstances indicate that the carrying value may not be recoverable.

f) Stocks

Stocks of donated items held for distribution to beneficiaries are measured at fair value; stocks of goods donated for the charity's own use are valued at an estimate of their value to the charity.

g) Pension scheme arrangements

The charity operates defined contribution pension schemes for its employees. Obligations for contributions to these schemes are recognised as an expense when the liability arises. The assets of these schemes are held separately from those of the charity in independently administered funds.

h) Taxation

The charity has taken advantage of the various reliefs from taxation available to charities and no tax is payable on the charity's income.

i) Financial instruments

The charity's financial assets and financial liabilities all qualify as basic financial instruments, as defined by FRS102. Except for loans, creditors and debtors are measured at their expected settlement value (normally the amount of cash that the charity expects to pay or receive). The charity recognises liabilities for the principal of those loans that remains outstanding at the year end (i.e. the liabilities exclude any interest chargeable on the loans in future years).

j) Critical accounting estimates and areas of judgement

In preparing financial statements certain judgements, estimates and assumptions have to be made that affect the amounts recognised in the financial statements. The trustees consider the following to be significant:

- i) The annual depreciation charge for property, plant and equipment is sensitive to changes in the estimates for useful economic life and residual value. These estimates are reassessed annually and, when necessary, adjusted to reflect current circumstances.

**8 Analysis of staff costs, the cost of key management personnel and trustee remuneration**

	2022	2021
	£	£
Gross wages and salaries	130,356	91,761
Social security	4,773	1,765
Pension costs	9,231	5,725
	<u>144,360</u>	<u>99,251</u>

The average monthly number of employees during the year was 4.7 (2021: 3.6). Most of the charity's activities are carried out by volunteers.

No staff received salaries at a rate of more than £60,000 per annum.

The charity's key management comprise the trustees and the key staff named on the Charity Information page. Total employment benefits payable to key management for the year were as follows:

	Wages & salaries	Other employment benefits	Employer pension contributions	2022
				£
<b>Trustees:</b>				
Daniel Beckett	28,084	-	3,069	31,154
Carolyn Keats	36,927	-	-	36,927
Ruth Blakey	22,778	-	1,987	24,765
				<u>92,846</u>

The following amounts were payable in the previous year:

	Wages & salaries	Other employment benefits	Employer pension contributions	2021
				£
<b>Trustees:</b>				
Daniel Becket	26,812	-	2,929	29,741
Carolyn Keats	9,168	-	-	9,168
Ruth Blakey	24,246	-	1,987	26,233
				<u>65,142</u>

Daniel Beckett and Carolyn Keats served as church leaders, and Ruth Blakey as administrator, and received the above payments for serving in that capacity, not for serving as trustees; these payments are permitted by the charity's governing document.

In addition the charity incurred expenditure totalling £15,851 (2021: £15,773) in respect of the customary provision of accommodation to Daniel Beckett, who is a trustee, so that they could better perform their duties.

**9 Acting as agent**

On occasion the charity receives money on behalf of other charities, which it banks and then pays out to these charities. This income is received as agent for these other charities and the income, and the related payments, are excluded from the Statement of Financial Activities; any money that has not been distributed by the year end is recognised as a creditor.

During the year the charity acted as agent for an agency working in central Asia administered by GBC on behalf of a church member and, in that capacity:

- a) received £950 (2021: £700) and paid £1050 (2021: £700)
- b) at the year end the charity owed £25 (2021: £75) to the central Asian mission agency.
